

Happy Father's Day

To new Dads, Grandads and Dads-to-be everywhere - the SMA Careline® Team would like to wish you a very happy Father's Day.

Being a new Dad can be rewarding and confusing all at the same time. We all worry about getting it right first time but don't worry - you're doing great.

You will quickly find out that many of your questions on looking after your baby can be answered in the wealth of material on the internet. You could also pick up a baby book or magazine now and again and have a leaf through. But don't forget, SMA's Careline team are here for you too. If you want to talk through your experiences or have a pressing question you are not quite sure whether to ask, call us on 0800 0 81 81 80 (1800 931 832 in Ireland) where one of the team will be happy to talk to you. No call is too small

Look forward to hearing from you!
